3 in recognizing the Texas Juvenile Justice System and in declaring

5 WHEREAS, The State of Texas and county governments are  
6 partners in providing one of the most progressive juvenile justice  
7 systems in the nation; and

8 WHEREAS, The Texas Juvenile Justice System is comprised of  
9 169 community-based probation departments, which serve youths and  
10 families in all 254 counties in the state; the Texas Juvenile

12 departments; and the Texas Youth Commission, which provides  
13 institutional programs and services to high-risk juvenile  
14 offenders; and

15 WHEREAS, The Texas Legislature extensively studied and  
16 analyzed the juvenile justice system and in 1995 made sweeping  
17 reforms that provided for greater accountability for offenders,  
18 broader options for the prosecution of juvenile offenders,  
19 increased public safety, focused prevention and early intervention  
20 programs, and increased funding for the entire juvenile justice  
21 system; and

4 to the justice system decreased by 20 percent, arrests decreased by  
5 20 percent, violent felony offenses decreased by 27 percent, and  
6 the total number of juveniles certified as adults decreased by 77  
7 percent; and

11 the number of referrals to the juvenile justice system; and

12           WHEREAS, The juvenile probation departments handle 98  
13 percent of the referrals of youths to the juvenile justice system  
14 each year through the efforts of 2,880 certified juvenile probation  
15 officers and 4,106 certified detention officers; and

16           WHEREAS, Dedicated probation, detention, and corrections  
17 officers are represented by the Juvenile Justice Association of  
18 Texas, whose mission is to promote advocacy for Texas children by  
19 providing quality juvenile services through professional  
20 development, leadership, education, and training; and

21           WHEREAS, The persons who enter the field of juvenile justice  
22 accept a great responsibility to the youths and families of Texas;
