7 of a bustling modern city, and its residents take justifiable pride
8 in their remarkable hometown; and

9 WHEREAS, Tyler has through the years benefited greatly from
10 the region's abundant natural resources, and agriculture has long
11 provided a strong foundation for the local economy; cotton was

16 itself a blessing in disguise, as farmers turned to growing roses

19 renowned as the home of the Texas Rose Festival and the Municipal
20 Rose Garden and Museum; and

21 WHEREAS, In 1930, the area's sandy loam yielded up a
22 different kind of bounty when the East Texas oil field was

24 the local economy, joined more recently by manufacturing and the

1 timber industry; and

2 WHEREAS, Tyler is also acknowledged to be the area's
3 preeminent medical and educational center, and the presence of
4 numerous state-of-the-art health care facilities contributes
5 greatly to the well-being of local citizens, while the city's
6 top-flight colleges and university open new vistas of learning and
7 opportunity to thousands of students each year; and

8 WHEREAS, The city's recreational options are many and varied,
9 and visitors may choose such diverse and appealing destinations as
10 the Caldwell Zoo, Tyler Rose Garden, Discovery Science Place, and
11 the Tyler Museum of Art, while fishing and boating enthusiasts can
12 pursue their pleasures at Lakes Palestine, Tyler, and Tyler East;
13 and

14 WHEREAS, Tyler's greatest asset continues to be its dynamic
15 and friendly citizens, and even as they look back with pride and
16 affection on the city's notable past, they eagerly embrace the
17 challenges and opportunities that lie ahead; now, therefore, be it
